Dear Brother Secretary,

### **Provincial Grand Superintendent of Works Team – Vacancy**

A vacancy has arisen on the team supporting the Provincial Grand Superintendent of Works in Lincolnshire.

The Superintendent of Works has been a permanent appointment for almost 4 years supporting those responsible for the management of the 21 Masonic Centres around the Province. Assisting in this role is a team made up of Brethren with skills and knowledge helpful to the Centres. The aim is to coordinate information so that Centres have a support network within the Province; to draw their attention to good practice; ensure Centres have their own skills base and to encourage use of available guidance, particularly from UGLE. The ultimate goal is to make our buildings great places to meet for all that use them. Since 2018, the team have visited all 21 Centres and have a programme to revisit them over the next 3 years.

Applications are invited to apply to join the team from anyone with the relevant skills, acquired through work or charitable commitments, particularly in the areas of:

- Building and facilities management
- Knowledge of catering, hospitality and events
- Health and safety or,
- ‘Hands on experience’ of managing a Masonic Centre.

I invite all interested Brethren, who wish to be considered for this position, to submit no more than a 500-word expression of interest to the Provincial office by **Thursday 31<sup>st</sup> March 2022**. Please mark your envelope ‘Supt of Works application’.

I would be very grateful if this letter can be circulated to the Brethren of your Lodge as soon as possible.

Yours Sincerely and Fraternally

Provincial Grand Master
